

concrete photography

concrete magazine prides itself on giving concrete a bold, vibrant image. Our front covers are an important aspect of that goal...

WE invite all budding amateur photographers among our readership to submit suitable images for use on the front cover of **concrete** or *Concrete Engineering International* magazine.

To get you started here are some possible categories:

- Breathtaking buildings
- Work in progress
- From the ground up

- It's all about the angles
- The people behind the buildings
- First light on-site
- Sunset and evening.

The best photos will be used in future editions of the magazine and the photographer provided with a framed high-quality print of the cover featuring their submitted image. Photos must be sized at a minimum of 185mm (width) × 235mm (height) at 300dpi resolution (or 2200 × 2800px).

A list of full terms and conditions can be requested from the Editor. E-mail: editorial@concrete.org.uk
