**The Concrete Society, London & South East Region would like you to keep a special date in your diary and join its Chairman and Committee for its popular Spring Luncheon**

This popular event is one of the best attended events throughout the regions. After being greeted with a glass of sparkling wine to meet colleagues, customers and friends, an excellent 3-course meal will follow in the England Suite.

As in previous years, at the end of the meal there will be an entertaining speaker, this year's guest is former British Olympic Athlete, Roger Black. Afterwards there will be networking opportunities in the hospitality suite overlooking the ground.

We shall, of course, be holding our charity raffle and looking forward to offering some alternative prizes!

Tickets are reasonably priced – Early bird rate if reserved before 31st January 2022, **£98 each + VAT**. Places booked after this date are **£113 each +VAT**. Tables of 10 are available.

Interest is already high with bookings from the last event, so get your place(s) booked for what will be an entertaining afternoon and take advantage of the lower price!
