

## Stephen Jelly Memorial Golf Day

### Tuesday 20<sup>th</sup> August 2024, Drumpellier Golf Club

Following on from the success of last year's event, The Concrete Society Scotland Region is delighted to invite our members and friends to Participate in the Stephen Jelly Memorial Golf Day, which will once again be held at Drumpellier Golf Club, Drumpellier Avenue, Coatbridge, ML5 1RX on Tuesday 20th August 2024.

Since opening in 1894, the course has become a skill test for all golfers in Lanarkshire. Located just east of Glasgow, Drumpellier Golf Club sits at the west end of Coatbridge. While the layout of the course can be challenging, it's still player friendly enough to appeal to varying levels of abilities. The golf course has a memorable finish, ending on two of the best holes, leading you to enjoy the wonderful facilities at our club house.

The event is a four-ball team format. However, we will endeavour to accommodate individuals in a combined team wherever possible. We are anticipating a great deal of interest, and bookings will be secured on a first come, first served basis.

Registration will take place between 11:00 – 11:45 am (where hot rolls, teas and coffees will be served). The tournament will commence with a shotgun start at Noon, and will be followed by a 2-course meal in the club house.

The cost per head is £75 including VAT (£300 per team). We request that payment is made prior to the event and an invoice will be raised on receipt of the booking.

If interested, then please send your request by e mail to: [karen.burke@aggregate.com](mailto:karen.burke@aggregate.com)
