

Concrete Society Scotland Region

Stephen Jelly Memorial Golf Day

Tuesday 30th August 2022, Drumpellier Golf Club

The Concrete Society Scotland Region is delighted to invite our members and friends to Participate in the Stephen Jelly Memorial Golf Day, which will be held at Drumpellier Golf Club (ML5 1RX) on Tuesday 30th August 2022.

Since opening in 1894, the course has become one of the most challenging tests of golf in Lanarkshire.

Located just east of Glasgow, Drumpellier Golf Club sits at the west end of Coatbridge. The layout of the course is challenging but it's still player friendly enough to appeal to a wide range of skill levels.

The golf course has a memorable finish, ending on two of the best holes, leading you to enjoy the wonderful facilities at our club house.

The event is a four-ball team format. However, we will endeavour to accommodate individuals in a combined team wherever possible. We are anticipating a great deal of interest, and bookings will be secured on a first come, first served basis.

Registration will take place between 11:00 – 11:45am (where hot rolls, teas and coffees will be served), and the tournament will commence at Noon. A 2-course meal will be served on conclusion of the golf day.

The cost per head is £60.00 including VAT (£240 per team). We request that payment is made prior to the event and an invoice will be raised on receipt of the booking.

If interested, then please to respond to: **Karen Burke, Tillicoultry Quarries**
